Background:

The requirement for this training is found in statutes listed below, and provides that:

- In consultation with the Judicial Council, the Secretary of State shall prepare and deliver a training via a remote web-based learning platform that is accessible through the Secretary of State’s internet website.
- The training shall contain information about:
 - Legal standards for voting rights cancellation/disqualification
 - Responsibilities of superior courts and county elections officials
 - Duties of court investigators
 - The reporting requirements for courts related to voting rights cancellation/disqualification and restoration
- In addition, at least annually, each court executive officer and each county elections official shall complete this training.

Elec. Code, § 2214 (added by Assembly Bill 2841, Statutes of 2022, Chapter 807)
